NOTE

Exchange rates for overseas / foreign currency transaction billing:

All foreign currency transactions will be converted using the prevailing USD / LKR exchange rate maintained by the respective card schemes. In the case of transactions in foreign currencies other than USD, the transaction will be converted into US Dollars by the card scheme (i.e. VISA, MasterCard etc.) before being converted to the billing currency. In order to mitigate local exchange rate movements an additional amount (up to 4.5%) will be added to the rate at the time of billing.

Fuel Surcharge fee :

1% of the transaction value is applicable for fuel transactions as per card scheme guidelines.
